

# Affinity Health Services, Inc.

## We are Growing!

**Affinity Health Services, Inc. is growing and we are looking for talented individuals to grow with us! Affinity Health Services, Inc. provides full service management and consulting services to skilled nursing facilities, personal care homes and continuing care retirement communities across the commonwealth. As we continue to provide premier services to senior living providers, we are looking to add quality senior living consultants and operators. We work in all sectors of the senior living space including hospital based, for profit, non-profit and government owned organizations.**

**As times continue to be lean and challenges mount for senior living, Affinity continues to be successful due our approach and commitment to our WE CARE philosophy. If you are interested in a quality organization that balances care with financial stability, we are the fit for you.**

**Regional level opportunities for the following professionals include:**

- **Full time clinical consultant**
- **Part time and per diem nurse consultants (performing mock surveys)**
- **Marketing Professionals**
- **Operations Consultant – RN and Personal Care Home backgrounds preferred**

**Travel for all the positions is required. We are looking for multi-dimensional individuals with a wide variety of senior living experience. Apply today to learn more about what distinguishes us and the WE CARE philosophy.**

**Please email your resume and salary requirements to:**
